Course Description

This self-paced, program-specific course allows the student to study in preparation for the ASE A1-A5 areas.

Course learning outcomes

1. Study and prepare for the A1-A5 ASE areas in preparation for the next possible ASE test.
2. Consider subject areas in the A1-A5 ASE that are difficult to understand.
3. Work with the instructor to comprehend self identified areas.
4. Research and be able to discuss such areas with the instructor.

Content outline

1. Engine Repair
2. Automatic Transmissions and Transaxles
3. Manual Drive Trains and Axles
4. Suspension and Steering
5. Brakes
