4

## Grading mode

Standard letter grades

## Total contact hours

50

## Lecture hours

30

## Other hours

20

## Prerequisites

CIS 179.

## Recommended preparation

CIS 279L.

## Course Description

The course outcomes cover: network security; compliance and operational security; threats and vulnerabilities; application, data and host security; access control and identity management and cryptography. The material prepares students to pass the CompTIA Security+ certification. Security+ is an international, vendor-neutral certification.

## Course learning outcomes

1. Course outcomes for CIS 279SE correspond to the CompTIA security objectives for exam SY0-201.
