Course Description

A learning strategy designed to enhance students' knowledge, personal development, professional development and professional preparation by integrating academic study with practical experience. Students complete on-the-job training in a computer environment (requires a minimum of 33 clock hours of work for each credit hour earned). Repeatable for credit. P/NP grading.

Course learning outcomes

1. Apply academic knowledge in a professional setting.
2. Develop professionally relevant competencies and relationships in a professional setting.
3. Gain exposure to a professional field and an understanding of professional etiquette.
4. Observe and begin to understand a professional organization culture.
