## Course Description

Examines human trafficking as a form of modern slavery. Students will explore sex trafficking, labor trafficking, and domestic servitude, with attention to victim perspectives, contributing social and economic factors, and criminal justice and community responses. The course emphasizes analysis of trafficking patterns, prevention strategies, and the role of individuals and society in addressing the problem.

## Course learning outcomes

1. Define key terms related to human trafficking.
2. Describe the various forms of trafficking and modern-day slavery.
3. Summarize the scope and magnitude of trafficking in the U.S. and internationally.
4. Explain victim perspectives and experiences.
5. Identify strategies for prevention, intervention, and policy responses.
