Course Description

Designed as a self-assessment opportunity for individuals preparing to step into a leadership role. Includes one day of classroom instruction followed by a day in the field with small teams of students working through a series of problem-solving events (Field Leadership Assessment Course). Includes leadership values and principles; transition challenges for new leaders; situational leadership; team cohesion factors; ethical decision making; after action review techniques. National Wildfire Coordinating Group (NWCG) certified course. P/NP grading.

Course learning outcomes

1. Explain fundamental leadership principles.
2. Assess their individual traits and motivation for entering into a leadership role.
