## Course Description

Explores locations of geologic interest throughout the Pacific Northwest. Meets for a multi-day overnight field trip to a selected location within a day's drive. Appropriate for non-majors. Repeatable for credit. P/NP grading.

## Course learning outcomes

1. Identify geologic features such as rocks and landforms.
2. Interpret the formation of geologic features.

## Content outline

- Geology of Cascadia
- Field observation skills
- Geology of field site

## Required materials

Participants will be camping and hiking. If gear, such as tents, sleeping bags, hiking shoes, etc. are needed by participant, please contact instructor for assistance.
