Description

This course introduces students to the personal challenges and competencies that are critical for effective leadership. Topics include developing life skills such as goal setting, time management, physical fitness and stress management relative to leadership, officership, and the Army profession. Students will further explore Army leadership dimensions in depth, as they relate to tactical leadership. This class is open to any student in any course of study.

Learning outcomes

1. Define, and explain the relationship between leader character and competence.
2. Define, and explain the leader attributes and core leader competencies of the Army Leadership Requirements Model
3. Define and demonstrate the seven Army values
4. Define and demonstrate the Warrior Ethos.
5. Define short-term and long-term goals.
6. Explain the importance of being a model citizen as an Army officer.
