Course Description

Study, rehearsal and performance of choral literature. Meets Tuesday evenings and welcomes both college students and community members. Performs a major concert each term. May be repeated; no limit. Please note: purchase of concert dress outfit required. Contact choral program director for information about required audition.

Course learning outcomes

1. Students will demonstrate knowledge and skills in vocal and choral techniques, and will have become acquainted with a representative breadth of choral literature through rehearsal and performance.
2. Students will learn and perform a diversity of choral music.
3. Students will perform two concerts at the end of each term.
