Total contact hours

30-130

Lecture hours

0-10

Other hours

30-120

Prerequisites

admission to the nursing program and LPN status and department approval.

Course Description

Provides an opportunity for nursing students who possess an unencumbered LPN or RN license to obtain college credit for providing direct patient care while employed in a long-term or acute-care facility. Requires formal reflection on how the work experience supported student's learning and professional goals. Thirty hours of documented LPN/RN work equals one credit. A maximum of 1 credit may be awarded per term for each of the 6 terms of the AAS nursing program. P/NP grading.

Course learning outcomes

The content of this course is variable. For student learning outcomes, please consult the course syllabus or contact the instructor of record.
