## Corequisites

PHM 190, PHM 191.

## Description

This online seminar presents discussions on various aspects of the practicum. Students will share work related experiences with the instructor and their peers. Students will prepare to take the Pharmacy Technician National Certification exam. Covers employment opportunities, resume writing, completing job applications and interviewing skills. P/NP grading.

## Learning outcomes

1. Demonstrate how to complete job applications, prepare a resume, and look for job opportunities.
2. Show competency of the interview process.
3. Prepare to take the National Pharmacy Technician Certification exam, review the testing process and subject matter for the exam.
4. Sharing of all pharmacy related skills as practiced in the hospital and retail settings.
