department approval.

Description

This course is designed to introduce students to the tools and techniques used to perform the duties of a status check-in recorder (SCKN). The course provides an overview of what a student can expect if dispatched to an incident.

Learning outcomes

1. Set up and manage a check-in station.
2. Process information using incident automation software and other paper based methods.
3. Package the information into useful products
4. Assist with demobilization
