Pass/No Pass grades

Contact hours total

20

Lecture hours

20

Prerequisites

Minimum placement Wr/Comm Level 7.

Corequisites

WR 121.

Description

A companion course to WR 121 for students who place into WR 098. Supports students by incrementally breaking down assignments while building self-efficacy and growth mindset to increase academic success. P/NP grading.

Learning outcomes

1. Use the writing process to write essays.
2. Apply college success strategies of time management and successful completion of assignments.
3. Apply growth mindset strategies to course work.
4. Evaluate and reflect on your own writing and reading processes.
5. Successfully complete WR 121; or, if unsuccessful, identify the strategies you will need to be successful in the future.

Content outline

- Group/Peer Work: Reading and Writing Workshops
- Growth Mindset Workshops
- Individual Appointments
- In-Class Writing and Exercises for Reading and Writing Processes
- Research Tools
- Additional Preliminary, Organizational, Focus and Development Work for WR 121 Assignments
- Additional Revision and Editing Work for WR 121 Assignments

Required materials

The course textbook is for WR 121, and also used in the co-requisite section of WR 98.

Grading methods

Assignments and Grading.
