Total Credits

- ¹ HHPA activity courses (1 credit each) are not to be duplicated.
- ² Most doctorate of physical therapy (DPT) programs require completing MTH 112Z Precalculus II: Trigonometry and STAT 243Z Elementary Statistics I. Work with your advisor to select appropriate MTH courses.
- ³ The recommended elective courses are for students to explore the field of physical therapy. These courses are either preferred or required for applications to most DPT programs. Work with your advisor to identify the exact requirements for the particular schools you may apply to.
- ⁴ Refer to advising notes and your assigned advisor for suggestions for a baccalaureate major.

Advising Notes
