

# PUBLIC HEALTH - ASSOCIATE OF ARTS OREGON TRANSFER (AAOT)

## Description

The Associate of Arts Oregon Transfer with a focus in public health is designed for students who wish to transfer to a four-year university to pursue a bachelor's degree in public health or a related field. Lower-division coursework provides students with a strong foundation in public health topics, including health promotion, disease prevention, health psychology, healthcare policy, health equity, and environmental sustainability plus prerequisite coursework in biology, chemistry, and mathematics. To learn more about career and degree options in the field of public health, visit the [Association of Schools and Programs of Public Health](#) website.

## Statewide General Education Student Learning Outcomes
